Barkology fashion tees are the new “uniform” – call it the couture de rigueur for those of us humans who want to express ourselves with the love we have for our dogs.

Just like our other goods, the House of Barkology apparel is handsome, yet a bit quirky. Exquisitely designed and finely crafted. With a dash of wit. And always, an homage to dogs. Canine-philes and fashionistas alike will find our tees amusing and endearing. The softest prewashed cotton, great colors, and signature prints make for great selling and collectible wardrobe favorites.

SIZING NOTES: Our standard Barkology women’s cap sleeve, short sleeve and long sleeve tees are a slender, body-conscious fit with these guidelines: S = 0-2, M = 4-6, L = 8-10, XL = 12-14. When in doubt, go up a size. .
